"Lustre Chic is absolutely amazing! Everything from the trial all the way to wedding day was amazing. Marisa was so responsive to my emails and coordinating with my wedding planner. Kena(hair) and Catie (makeup) made my vision come to life. They both did such a beautiful job on me. Mariam did hair and makeup for the rest of my bridal party and she also did such a beautiful job! Overall I was beyond happy/impressed with everything and would highly recommend them to anyone!"

"Lustre chic was absolutely fantastic! Prompt to answer all of my questions and to schedule my trial. Thorough follow up about how I liked my trial and what I wanted to do differently. Wedding day was smooth sailing! The girls were there on time and ready to go. They were so sweet and accommodating to our last minute changes and crazy scheduling. My wedding party and moms looked absolutely stunning and I could not have asked for a better experience with our hair and makeup! 10/10 definitely recommend!"
